Bonfire Night Catherine Wheel!

Tip!

for setps 4 and 5
see below:

Follow these instructions to create a catherine wheel!

Instructions:

1. Take your piece of paper and cut it into a perfect square. An easy way to do this is fold the paper into a triangle, taking one corner and lining it up to the other side. This will leave excess on one side that, once cut, gives you a square!
2. Decorate one side of the paper with whatever design you wish, lot's of colours like a catherine wheel!
3. Fold the paper diagonally so it turns into a triangle and crease it lightly. Repeat this for the opposite direction as well. You will then unfold and have a creased "X" on the page!
4. Cut along the creases about halfway to the middle of the paper. Be sure not to cut all the way!
5. Bend each corner into the middle. Make sure to bend and not fold!
6. once all 4 corners are in the middle push the push pin through them all as well as the straw!

Finished!
