Important things to know about The Children's Pledge

- Orange Grove will only promise you things we know we can do
- We will always try to make your experience of being in foster care with Orange Grove as positive and happy as possible. Being in care should be a good experience and it is our responsibility to make that happen
- We will always involve you in decisions about you and your life. You have the right to make your views known about what you want
- We will treat you as an individual and listen to what matters to you and about your culture, such as food you like, your language or your religious beliefs and the people you want to be with
- Whenever we make decisions with you and when using any part of this Pledge, your safety and well-being are really important to us

Want to tell us what you think about the Pledge or make a complaint?

If you feel that we are not sticking to our Pledge to you, you can speak to your carer or social worker about it. You can also call Corrinne at the Children's Helpline on 07792 263 020. Corrinne can help you to make a compliment or complaint or help you sort out any problems you may have.
